

# Traditional Series Analog Clocks

## Bluetooth® Wireless Technology

For any customer who requires time synchronization, the Bluetooth® Low Energy wireless technology solution is an uncomplicated, easy-to-install, product that continually and automatically recreates its own network. Competitively priced, OneVue Sync™ clocks with Bluetooth Wireless Technology are available solely through Primex, the sync time leader, and our certified partner network. OneVue Sync clocks with Bluetooth wireless technology require a minimum of one OneVue Sync Bridge to operate.

### Traditional Series Analog Clocks

Easy-to-read dials and durable thermoplastic frames and lenses make our Traditional Series Analog Clocks ideal for almost any setting. Available in a variety of colors, sizes, and dial options including custom dials to showcase your facility name or logo.
